Doing something better:
raising funds for Charity at Christmas.

I LOVE to use my time for TV and gadgets but I'm going to use it to do something much better this Christmas – to raise funds to help the homeless and others in need through the Charity 'Crossreach'

Help me help them by **sponsoring** my **24hour 'UNPLUG'**.
I will not use any gadget –phone, I-pad, computer, X-box, PS vita etc etc or TV for 24 hours on

_____

It is NOT going to be easy!
I promise to use my time to do something useful to help others in my area.

PLEASE sponsor me to ensure I complete this!
